*Welcome!*  
St. Francis of Assisi  
"A Catholic Community"  
Family Membership Information

Dear Parishioners:

The Bishop chose Saint Francis of Assisi for our community name because of a vision Francis had of holding up the crumbling walls of the Church of San Damiano. In the vision, St. Francis was told to rebuild the church; Francis thought at first it meant the physical building, but then he understood. The Bishop envisions Saint Francis of Assisi as a community who will help the renewal of the Church of San Jose, the people of God. He challenged us to renew ourselves and in that to re-invent and re-emerge for this generation a vital faith community.

We can offer our gifts, talents, and vitality to the building of the whole church. This community has done well in looking to the future and now it is time to plan for its future. I have great faith in you that you will be able to make great contributions to the building of this community and carry out our vision.

As you know, it is people who make St. Francis of Assisi what it is. The questionnaire is an important element in knowing who is in the Parish, and what you are interested in, what you need and what you can do to help your fellow parishioners. It is my hope that you will share in the vision of our community and are ready to respond when moved by the Spirit.

God Bless,

Fr. John Sandersfeld
